

Cardinal Langley RC High School

Headteacher: Mr A Bridson B.Sc. (Hons)

5th June 2017

Dear Parent/Carer,

I am delighted to provide you with a copy of the latest Ofsted report in which the school is judged as Good in all areas. The report contains many positive comments but the inspection team was particularly complimentary about the quality of teaching and the high standards of behaviour demonstrated by all students. We are all proud of our school community and I am delighted that the high quality of education offered at Cardinal Langley has been recognised by both Ofsted and the Diocese of Salford in recent months.

Below are some of the comments included in the report:-

- Pupils are safe and happy in school. The school is a harmonious community where pupils show good respect for one another and for staff.
- Teachers have high expectations of their pupils.
- The rates of progress made by pupils in the majority of subjects were stronger than were achieved nationally.
- Pupils who have special educational needs and/or disabilities receive good support from their teachers and from teaching assistants.
- The school succeeds in getting very high proportions of pupils leaving Year 11 into further education, employment or training.
- The post-16 curriculum offers students a broad range of academic and applied vocational choices. The school offers its students an extensive range of enrichment activities.

Your continued support is greatly appreciated.

Yours faithfully,

Mr A Bridson
Headteacher
