Art KS3 Learning Journey

Subject Overview?

The Art and Design course is a practical, stimulating and creative course where you can experience a wide variety of teaching and learning styles.

You will be taught how to use different Art techniques and materials, and will harness your creativity with a desire to challenge vourself.

We want original and exciting work so you will need to have your eyes open to the potential and beauty in everyday objects. You will also be shown how to study and analyse artworks from a range of sources and in a variety of styles and genres.
