All students will need a valid passport with at least 6 months' validity upon departure. Please read the following guidance from the travel company:

*Important passport advice – the rules for travel to most countries in Europe will change if the UK leaves the European Union (EU) with no deal in March 2019. Therefore, all British passport holders should have 6 months left on their passport from the date of arrival. This applies to adult and child passports. In addition, if you renewed a 10-year adult passport before it expired, extra months may have been added to your passport's expiry date. These extra months will not count. You can use a tool to check a passport for travel to Europe.*
