Dear Parent/Guardian

In order to support our year 11 pupils as they prepare for their final GCSE examinations this year, the Science department are offering practice exam papers from the publisher CGP.

They are ultra-realistic practice papers with mark schemes (to test themselves during their independent revision). The papers cover both foundation and higher and there are separate practice papers for the triple Sciences (Biology, Chemistry & Physics).

Being an education facility we can get these resources at a significantly reduced cost, benefiting both yourself and your son/daughter.

If you wish to purchase the practice papers, please complete the slip at the bottom of this letter and return it to Miss Pinder in the Science department at school (no later than Friday 18<sup>th</sup> October) with the appropriate payment. Please make cheques payable to Cardinal Langley School.

Yours sincerely

J Pinder  
Head of Science
