PART 1: ORGANISATION

Objectives

The policy objectives set by the Governors are as follows:

Commitment to a planned approach to Health & Safety by ensuring that the framework set by the Safety Policy is implemented, monitored and reviewed.

Ongoing consultation involving all employees in the pursuit of the aims and objectives of the policy, achievement of health and safety standards and to ensure co-operation and competence of all those involved.

Structure of the Organisation

Governing Body

The Governing Body is responsible as the employer for:

1. Recognising and accepting its responsibilities for the health, safety and welfare of its employees, pupils and visitors to premises and establishing appropriate committees in which to consult on health and safety matters.
2. Establishing a suitable organisation and effective arrangements for satisfying the Safety Policy.
3. Managing the allocation of sufficient funds in order to ensure, so far as reasonably practicable, the working environment is safe and without risk to health.
4. Ensuring that effective monitoring is carried out to evaluate the health and safety performance of the school by evaluation of relevant inspection reports. These will include reports from the school safety representatives and site inspection reports undertaken on a weekly basis by caretaking operatives.

Headteacher

The Headteacher is responsible for the following:

1. Ensuring the effective planning and implementation of the Safety Policy, incorporating appropriate organisational detail and local arrangements and so that all employees are familiar with the Policy and their delegated duties.
2. Ensuring the effective planning and implementation of the health and safety management system. This will include the development of sys-aid for Health and Safety reporting by school staff.
3. Establishing and maintaining safe working procedures and a working environment where suitable and sufficient risks to all employees, pupils and visitors to the premises are assessed, prevented or controlled.

4. Identifying the training needs of employees and arranging for suitable and sufficient training programmes to be provided.
5. Providing health and safety induction training for new employees and information and instruction on the organisation and arrangements as detailed in the Safety Policy.
6. Ensuring all contractors' undertakings are fully compliant with health and safety regulations and take full account of health and safety issues affecting employees, pupils and any other users of the establishment.
7. Arranging and being involved in premise inspections of the school at least once per year and ensuring findings are reported to governing body committee.
8. Being prepared and having arrangements in place to act safely and effectively in the event of any emergency affecting the health, safety and welfare of employees, pupils and the school environment.
9. Having arrangements for accident/incident investigation and reporting procedures that are in accordance with the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR) and Rochdale Council's reporting procedures.
10. Noting and acting upon, as appropriate, health and safety instruction and advice provided by the Health and Safety Executive, Department for Education and Local Authority.

Health & Safety / Premises Manager

The Health & Safety / Premises Manager will be responsible for:

1. Ensuring that the school and its grounds are maintained as an attractive, clean and safe environment for all its users.
2. Ensuring the security of school buildings and site.
3. Acting as designated key holder, providing out of hours and emergency access to the school site.
4. Arranging for general maintenance within specialist areas, such as heating, lighting and plumbing, to ensure safe and effective operation.
5. Regular health and safety checks of the buildings, grounds, fixtures and fittings, (including compliance with fire safety regulations) and equipment.
6. Regular maintenance checks and follow-up actions.
7. Providing advice on the annual long-term maintenance requirements to support a cost-effective maintenance programme.
8. On-site contractors, ensuring work is completed to the required standard.
9. Purchasing premises-related equipment and supplies within the agreed budget.
10. Regular checking and operation of systems such as heating, cooling, lighting and security (including CCTV and alarms).
11. Arranging tenders and quotes and managing the appointment of external contractors.
12. Supervision of other premises staff.
13. Undertaking risk assessments, ensuring compliance across the school with all health and safety requirements including fire and COSHH requirements.
14. Liaising with other school staff / departments on premises issues.
15. Undertaking emergency/accident cleaning.
16. Ensuring that all site maintenance equipment is maintained in a safe, clean working order.
17. The safe operation of the school minibus, including making sure it is kept full of fuel and clean and arranging for it to be MOT'd and serviced annually.
18. Preparing and collating all documentation required for health and safety inspections.

Subject Leaders

Subject leaders will be responsible for:

1. Taking reasonable precautions to ensure the safety of all persons whilst under their department's control, in accordance with the objectives of the Safety Policy.
2. Establishing and maintaining safe working procedures and a working environment where suitable and sufficient risks to employees, pupils and any other persons within their department are assessed, prevented or controlled.
3. The inclusion of health, safety and welfare issues at departmental meetings which may be recorded and forwarded to the Headteacher and governing body committee.
