Monday 30th March 2020

Dear Parent / Carer

These are unprecedented times and we are all grateful to those in the NHS and essential workers who are on the frontline of the fight against Coronavirus. As Middleton secondary schools, we are committed to support you by providing you with childcare provision over the Easter break so you can continue your essential work.

In order to achieve this, staff from Cardinal Langley RC High School, Middleton Technology School & St Anne's Academy are co-ordinating their provision over the Easter break on a single site from Monday 6th until Friday 24th April. Each site is large enough to maintain appropriate social distancing and will be following strict handwashing and hygiene routines following the latest guidance from Public Health England. There will be staff present from your child's school at each of the hubs to ensure there are familiar faces for them. Students will be able to attend the hub provision in their own clothes. The provision will be available from 8.15am to 2.40pm throughout this period. All students that attend will be provided with a free breakfast & lunch each day.

We are asking parents to make arrangements for their child to travel to and from the hub site, as we are unable to provide transport due to government guidance on social distancing.

Provision will be provided at:

School Site	Dates of Provision	Contact Details
Cardinal Langley RC High School Rochdale Road M24 2GL	Monday 6 th to Friday 10 th April (including Good Friday Bank Holiday)	Tel: 0161 643 4009 Email: admin@clrchs.co.uk
Middleton Technology School Kenyon Lane Middleton M24 2GT	Monday 13 th to Friday 17 th April (including Easter Monday Bank Holiday)	Tel: 0161 643 5116 Email: jfoster@middtech.com
St Anne's Academy Hollin Lane Middleton M24 6XN	Monday 20 th to Friday 24 th April	Tel: 0161 643 2643 Email: admin@stannesacademy.org.uk

Individual support for those with EHC plans, or with a social worker, will be agreed in advance with the school your son / daughter attends.

The government has asked parents to keep children at home, wherever possible, and asked schools to remain open only for those children who absolutely need to attend. The fewer children making the journey to school, and the fewer children in education settings, the lower the risk that the virus can spread. It is essential, that this is only for the families who NEED this care.

As a trio of schools, we are working together in supporting those key workers in critical categories, who have no other access to child care, so that they are able to continue the work which is so essential to the country at the moment.

Clearly the frontline NHS and emergency service staff will be prioritised. Please contact your own school to register your child[ren] for provision during your school's Easter holiday period.
