Dear Parent / Carer

Today is the start of National Youth Work Week and Rochdale Local Authority are seeking the views of young people across the borough to help them develop the local Children and Young Peoples Plan. The Local Authority are specifically wanting to know about the challenges faced by young people and the support / services they would like to see to help them be happy, safe and successful.

The survey is aimed at young people aged 11 and above, and it will be open until Friday 10th November 2023. Please encourage your child to complete the survey using the link below:
