| Directorate: Cardinal Langley RC High School | COVID 19 |
| Job role/s: Workplace Risk Assessment – Wider Opening of School in March 2021 | |
| People who might be harmed: Staff, Students, Visitors | Assessment date: 19/4/2021 |
| Are there any special considerations needed for new & expectant mothers or persons under 18, etc. Yes New and expectant mothers and any staff over 70 must have completed a risk assessment before returning back to work. | Review date: 17/5/2021 |
| Names of all involved in assessment process: (e.g. Manager, Union rep, etc.): Headteacher, Governor Committee, Premises and H&S Manager, Staff H&S Representatives | Manager authentication: Andrew Bridson |
| Information: This risk assessment has been undertaken in light of the recent Government guidance. Cardinal Langley RC High School are putting the measures detailed below in place to ensure the safety of staff, students and visitors and prevent the spread of infection. The risk assessment will be reviewed each time Government guidance is updated. The risk assessment will be shared with all staff and Governors and a copy placed on the school website. | |

| Hazard | Risk Identified | Current Precautions in Place | Further Information & Actions |
|---|---|--|---|
| 1. Establishing a systematic process for reopening of school | | | |
| 1.1 Building Capacity | Full reopening of school in September increases the number of contacts for an individual which increases the risk of transmission | <ul style="list-style-type: none"> A variety of models are available to limit the number of contacts and regulate movement around the building depending on the risk level at the time Staggered start and finish times, and split break / lunch times, to be used at the start of the year to control the flow of students at busy times Students will use different entrances / exits and be suited in specific areas of the school building Creating year group 'bubbles' will allow the full curriculum to be offered and limit movement around the building | <ul style="list-style-type: none"> Frequent assessment of the risk of virus transmission with the appropriate model used |
| 1.2 Organisation of teaching spaces | Classroom sizes will not allow adequate social distancing | <ul style="list-style-type: none"> Classroom layout to be amended so students are seated side by side and facing forward where possible Any unnecessary furniture removed from classrooms to make more space In classrooms with fixed layout, seating plans used to minimise face to face contact as much as possible Teachers should maintain social distancing of 2m from students at the front of the classroom Clear signage displayed in classrooms promoting social distancing | <ul style="list-style-type: none"> Staff can move between different classes and year groups to facilitate the delivery of the curriculum To balance the need for increased ventilation while maintaining a comfortable temperature, the following measures should also be used as appropriate: <ul style="list-style-type: none"> opening high level windows in preference to low level to reduce draughts increasing the ventilation while spaces are unoccupied (e.g. between classes, during break and lunch, when a room is unused) providing flexibility to allow additional, suitable indoor clothing |

| | | | |
|--|--|---|--|
| | | | <ul style="list-style-type: none"> ○ rearranging furniture where possible to avoid direct drafts <p>Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces.</p> <ul style="list-style-type: none"> • Classroom doors can be opened when the room is occupied to provide additional ventilation but should be closed when the room is not in use. In the event of a fire alarm, all doors should be closed as exiting. |
| 1.3 Availability of staff | The number of staff who are available is lower than that required to teach classes in school | <ul style="list-style-type: none"> • The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned • Full use is made of those staff who are self-isolating but who are well enough to work from home • Cover supervisors available if necessary • Full use is made of testing to inform staff deployment • Supply staff can be used • Staff who are shielding are known and appropriate measures are in place | <ul style="list-style-type: none"> • Review of staff absence and COVID-19 reporting system to ensure school is informed when staff are unable to work |
| 1.4 Safeguarding & Pastoral Support | Effective support not in place to support the needs of students | <ul style="list-style-type: none"> • Robust safeguarding procedures are already in place and all staff have acknowledged policy updates • Pastoral teams have maintained contact with all students during lockdown and are aware of support required • Attendance for each year group is monitored and school is aware of students self-isolating • LPAs deployed to support SEND students within school • Key Workers available each day to support students | <ul style="list-style-type: none"> • BISC training to be provided for all staff in January 2021 • Sixth Form Ambassador vacancy has been filled for September to provide additional pastoral support for Years 12 & 13 • Temporary assistant Pastoral & Academic Leader roles have been created to provide additional academic and pastoral support • All staff have been encouraged to complete online training on bereavement and domestic violence |
| 1.5 The School Day | The start and end of the school day create risks of breaching social distancing guidelines | <ul style="list-style-type: none"> • A variety of models for the school day have been produced which have different levels of restriction based on risk of virus transmission • Start & finish times for students can be staggered so that the flow of students can be carefully managed • Different entrances / exits can be used to maintain the separate year group 'bubbles' • Split break and lunch times can be implemented to maintain the separate year group 'bubbles' • Staff and students will be briefed, and signage provided, to identify which entrances, exits and circulation routes to use • Floor markings are visible where it is necessary to manage any queuing | <ul style="list-style-type: none"> • Communications to staff/student/parents and carers regarding the school procedures in operation • Signage and markings to be placed around the building advising staff & students of movement and social distancing rules • Additional external catering point planned outside Sixth Form study area to increase capacity. |
| 1.6 Planning Movement around the building | Movement around the school risks breaching social distancing guidelines | <ul style="list-style-type: none"> • Use of year group 'bubbles' with specific areas of the school allocated to different groups • Students are able to move between classrooms in their area • No classrooms to be used by different year group 'bubbles' in the same day • In order to allow the full curriculum to be delivered, staff will move to student rooms • Specific staircases used for different year groups • Appropriate signage is in place to clarify circulation routes. • Pinch points and bottle necks are identified and managed accordingly • Students are regularly briefed regarding observing social distancing guidance • Appropriate duty rota and levels of supervision are in place | <ul style="list-style-type: none"> • Induction to take place with staff in September to inform them of the procedures within the building. • Duty rota to be reviewed and provided to all staff • LPAs & Key Worker to be allocated to each year group to provide support • Doors to be propped open where this is not a fire safety risk to reduce the need to touch handles etc. |

| | | | |
|---|---|---|--|
| <p>1.7 Curriculum Organisation</p> | <p>Students will have fallen behind in their learning during school closures and achievement gaps will have widened</p> | <ul style="list-style-type: none"> • Gaps in learning are assessed and addressed in teachers' planning • Curriculum plans amended to ensure National Curriculum / exam specification content covered across the key stage • Depending on the restrictions in place, access to some specialist rooms may not be possible for all year groups • Laptop loan scheme is in place to support those without access to electronic devices • Students to be provided with exercise books. Staff can give verbal feedback without sharing of resources. | <ul style="list-style-type: none"> • Education Continuity Plan developed to enable home learning to be implemented at short notice in the event of local or school lockdown • School timetable for 2020/21 has been issued to staff and will be amended if necessary • Identify opportunities to provide additional support to those who are disadvantaged or falling behind with home learning • After school clubs and activities can be organized if risks controlled. • Update Pupil Premium strategy |
|---|---|---|--|

| | | | |
|-----------------------------------|--|--|--|
| | | <ul style="list-style-type: none"> • Microsoft Teams assignments to be used to provide individual or group feedback for homework activities • Any exams / tests need to be quarantined prior to marking and returning | |
| 1.8 Practical Subjects | Lack of access to specialist areas can hinder academic progress | <ul style="list-style-type: none"> • Year 11 & Sixth Form have been prioritised for specialist areas • Practical subjects to undertake risk assessment for their curriculum plans • PE curriculum available to all students with use of outdoor space • Sports hall can be used by multiple 'bubbles' but equipment and frequently touched surfaces need to be cleaned by PE staff between lessons | <ul style="list-style-type: none"> • Students to wear PE kit on timetabled days to avoid need to use changing rooms • High level of ventilation required in the sports hall |
| 1.9 Staff Workplaces | Staff workrooms and offices do not allow for observation of social distancing guidelines | <ul style="list-style-type: none"> • Staff will need to limit contacts with colleagues to reduce the risk of virus transmission • Faculty workrooms are available for staff during PPA time • Communal kitchen facility in staffroom will be unavailable to control the risk of transmission through sharing appliances and utensils • Staff will be able to use equipment in faculty work rooms as long as these are cleaned before and after use | <ul style="list-style-type: none"> • Each workroom / office space will have maximum capacity doorsigns to ensure social distancing can take place |
| 1.10 School Trips | School trips increase the risk of virus transmission | <ul style="list-style-type: none"> • Current guidance outlines how educational day visits can resume in line with the Government roadmap • Current guidance is against all domestic (UK) overnight and overseas educational visits • As a school we recognize the benefits of educational visits but will be cautious in our approach. These will be discussed on a case by case basis in the summer term but these will not resume until June 2021 at the earliest. | <ul style="list-style-type: none"> • Further guidance is available at https://www.gov.uk/government/publications/coronavirus-covid-19-travel-advice-for-educational-settings/coronavirus-travel-guidance-for-educational-settings |
| 1.11 Transition | Transition requirements for new Year 7 students not completed | <ul style="list-style-type: none"> • Strong links with primary partners continue • Pastoral and academic information has been transferred • Transition videos shared with students and parents • Regular communications with the parent/carers of incoming students are in place • Virtual Open Evening for Year 7 and Sixth Form entry in 2021 have been developed and are available on the school website | <ul style="list-style-type: none"> • New Year 7 will follow specific transition programme in summer term |
| 1.12 Governance and policy | Governors are not fully informed or involved in making key decisions | <ul style="list-style-type: none"> • Online meetings are held regularly with Governors • Governor Resources Committee to be involved in key decisions regarding reopening • Governors are briefed regularly on the latest Government guidance and its implications for the school | <ul style="list-style-type: none"> • Plans and risk assessments for wider reopening were approved by Governors Resources Committee on 1st September 2020 |
| 1.13 Policy Review | Existing policies do not reflect current circumstances | <ul style="list-style-type: none"> • All relevant policies have been revised to take account the guidance on social distancing and restrictions due to COVID-19. The policies updated are: <ul style="list-style-type: none"> ○ Safeguarding Policy ○ School Safety Policy ○ Fire Policy ○ Behaviour Policy ○ Attendance Policy | <ul style="list-style-type: none"> • Staff, students, parent/carers and Governors to be informed if further reviews are completed |

| | | | |
|---|---|--|--|
| <p>1.14 Communication strategy</p> | <p>Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health</p> | <ul style="list-style-type: none"> • Communications strategies for the following groups are in place: <ul style="list-style-type: none"> ○ Staff ○ Students ○ Parent/carers ○ Governors/ ○ Local Authority • Whole staff briefing will not take place to reduce the risk of transmission | <ul style="list-style-type: none"> • Ensure key information is included on the website and regularly updated • Review of parental contact details to be undertaken to ensure they are correct and up to date • Only arrange physical meetings with parents if absolutely necessary and consider phone or video conferencing as an effective alternative |
|---|---|--|--|

| | | | |
|------------------------------------|--|--|---|
| | | <ul style="list-style-type: none"> Staff & student bulletin section of Synergy used to communicate in school | |
| 1.15 Staff induction | Staff not up to date with changes to procedures in school | <ul style="list-style-type: none"> Staff provided induction regarding new procedures in September inset day Staff meeting on Friday 5th March to consider issues regarding wider opening | <ul style="list-style-type: none"> All staff have been provided with risk assessments and revised procedures prior to reopening Any updates are communicated to all staff |
| 1.16 Breakfast Club | Students who rely on breakfast club not able to access | <ul style="list-style-type: none"> Year group 'bubbles' cannot mix in breakfast club to avoid risk of transmission Fruit, breakfast bars, drink etc. available in each year group 'bubble' for students who would normally access breakfast club | <ul style="list-style-type: none"> Breakfast club is popular with students and important to provide many students with a meal at the start of the day |
| 1.17 Risk assessments | Risks are not comprehensively assessed in every area of the school in light of COVID-19 | <ul style="list-style-type: none"> Updated risk assessments for premises, catering and wider school have been completed Risk assessments and procedures have been approved by Governor Resources Committee prior to reopening Staff will be consulted on any changes to risk assessments Medical risk assessments have been completed for staff and students with specific high risk conditions Practical subjects to undertake risk assessment for their curriculum plan based on 'bubble' rooming | <ul style="list-style-type: none"> Risk assessments to be updated following advice received Additional risk assessments to be carried out if required to ensure safety and social distancing in school Information to made available to all staff |
| 1.18 School transport | Changes to bus schedules as a result of COVID-19 adversely affect students' attendance and punctuality and do not align with staggered start and departure times | <ul style="list-style-type: none"> Dedicated school bus services will be provided and TfGM to inform school whether more can be available to align with staggered start & finish times Social distancing measures on dedicated school transport should mirror those used in school e.g. year group 'bubbles' Social distancing on public transport must be maintained and there will be reduced capacity Staff will be on duty at the start and end of the day to ensure social distancing is maintained alighting and boarding transport Maximum capacity for each service varies depending on size of bus | <ul style="list-style-type: none"> Students will be encouraged to walk / cycle / use private cars if possible to avoid the need for travelling on public / school transport Highlight government advice to avoid car sharing with members of different households Late procedures will be suspended if due to transport difficulties |
| 1.19 School Crossing Patrol | Risk of injury while crossing Rochdale Road | <ul style="list-style-type: none"> LA has confirmed the crossing patrol will be available Students to be reminded of the need for social distancing on the crossing and with the patrol officer | <ul style="list-style-type: none"> Staff will be on duty at the end of the day to ensure students leave the site safely |
| 1.20 Attendance | Attendance at school is not tracked and raises safeguarding concerns | <ul style="list-style-type: none"> DfE guidance states that attendance for all students will be mandatory from March 2021 Parents / carers will be expected to follow the normal absence reporting procedures. Anyone who indicates Covid-19 symptoms as the reason should be provided with information regarding testing and this will be followed up with further contact to ascertain the result of the test. If the test is positive, then the correct procedure will be followed. A negative test means they can return to school when well enough to do so. | <ul style="list-style-type: none"> Registers will be taken for each session and absences checked If students are advised not to attend school by a medical professional then home learning will continue to be provided |

| Hazard | Risk Identified | Current Precautions in Place | Further Information & Actions |
|--|--|---|--|
| 2. Procedures to limit the spread of COVID-19 | | | |
| 2.1 Cleaning | Level of cleaning required to prevent spread of infection cannot be met/maintained | <ul style="list-style-type: none"> An enhanced cleaning plan is agreed with premises team and implemented which minimises the spread of infection. Working hours for cleaning staff amended to enable new requirements to be met Additional cleaners will be recruited if required Adequate supplies of cleaning products secured | <ul style="list-style-type: none"> Premises specific risk assessment to be shared with all site staff Government guidance to be shared with all site staff Staff to report any concerns to Headteacher Cleaning checks to be carried out daily |

| | | | |
|--|---|--|--|
| | | <ul style="list-style-type: none"> Disinfectant wipes available in each classroom to wipe down tables, computers etc. if needed Toilet cleaning signs to be used to indicate frequency of cleaning | |
| 2.2 Hygiene and handwashing | Staff & students do not wash their hands regularly and risk the spread of infection | <ul style="list-style-type: none"> Sanitizer stations have been installed at the visitor & student entrances Hand sanitizer is available in each classroom for use at the start and end of each lesson Staff and students reminded of the procedures for good respiratory hygiene Students will not have their temperature checked routinely but thermal camera available should fever be suspected Students using toilets have been reminded of the need to wash hands with soap and water for at least 20 seconds. Hand driers will not be in use and used paper towels will be placed in a lidded bin. | <ul style="list-style-type: none"> Staff have been provided with personal hand sanitizer Handwashing facilities are maintained in line with increased demand Regular stock checks of hand sanitizer in school and orders completed as necessary. Cleaners are on site throughout the day and will regularly check levels and replace if required. Additional hand sanitiser stations have been installed Staff induction included the need to remind students of the need to wash their hands frequently, and to not touch their face Posters and electronic messaging boards reinforce the need to wash hands regularly and frequently |
| 2.3 Social Distancing | Social distancing cannot be maintained which increases the risk of transmission | <ul style="list-style-type: none"> Students are encouraged to maintain social distancing during unstructured times Year group 'bubbles' maintained throughout the day to mitigate against students being unable to social distance in classrooms Staff maintaining distance from pupils and other staff as much as possible Separate entrances / exits and stairs to be used by each year group 'bubble' | <ul style="list-style-type: none"> Staff to be mindful of social distancing when supporting students Siblings living in the same household do not need to socially distance outside school but will need to maintain separate year group 'bubbles' on site Siblings with different start / finish times will need to maintain the timings for their year group KS3 will be allowed on site from 8.00am KS4 & SF will be allowed on site from 9.35am |
| 2.4 Clothing/fabric | Not wearing clean clothes each day may increase the risk of the virus spreading | <ul style="list-style-type: none"> The normal uniform policy will be in place from the start of term Staff dress code to be in place from the start of term Shared fabric chairs should be avoided in classrooms & offices | <ul style="list-style-type: none"> Expectations and guidance are communicated to staff, parents & students Staff will tidy non-essential items when not in use |
| 2.5 Testing and managing symptoms | Risk of spreading infection | <ul style="list-style-type: none"> Guidance on Covid-19 testing has been published Post-testing support is available for staff LTD Testing Site set up in the main hall following delivery of LTDs and PPE. SLT trained as team leaders (certificates on site); Science technicians trained to process LTDs (certificates on site). Team leaders and processors trained regarding wearing and removal of PPE; test supervision; test processing; hazards and spillages and recording results. Online test booking system in place to ensure social distancing; all surfaces wipeable with specialist PPE and testing materials all on site. Testing site included on cleaning rota. Separate risk assessment for Testing Site held centrally on system with a copy in the main hall. | <ul style="list-style-type: none"> Information regarding current testing arrangements has been provided to staff induction Consent pro forma emailed to all staff 13/1/2021; on site testing commenced 18/1/2021. NHS Test and Trace app to facilitate communication; internal database to manage staff attendance. Expectations regarding staff testing positive emailed 13/1/2021. Home testing for staff started 25/2/2021 Student testing to begin 5/3/2021 and negative test required prior starting face to face lessons |

| | | | |
|---|---|--|---|
| <p>2.6 Infection transmission within school</p> | <p>Risk of spreading infection</p> | <ul style="list-style-type: none"> • Anyone displaying symptoms must not attend school and should arrange to be tested. The test result must be reported to the Headteacher when available. • Procedures are in place to deal with any student or staff displaying symptoms in school. This includes the use of testing for both staff and students and appropriate action, in line with government guidance, should the tests prove positive or negative. • Should an individual test positive for Covid-19, then this will be reported to Public Health and an appropriate response agreed. In the majority of cases, contact tracing will be undertaken and direct contacts will be advised to self-isolate. It may be necessary to isolate the whole 'bubble' depending on the circumstances. Anyone self-isolating will be provided with information regarding testing should they develop symptoms • Staff or students who display symptoms during the day must isolate immediately and arrange for a Covid-19 test to be completed. The test result must be reported to the Headteacher when available. • Students awaiting collection will be isolated near to reception and have designated toilet and hand washing facilities • Robust collection and monitoring of absence data, including tracking return to school dates, is in place. • Students, parents and staff are aware of what steps to take if they, or any member of their household, displays symptoms. | <ul style="list-style-type: none"> • Reporting procedures of COVID-19 are in place and have been communicated to staff/parents/carers. • Review of first aid procedures in school including alert system to deal with students/staff displaying symptoms of COVID-19 • PPE is available for any member of staff dealing with a symptomatic individual. This includes: eye protection, disposable mask, apron & gloves • Communication to parent/carers/students/staff of what to do if they or family members are displaying symptoms – website/posters in school/social media • Staff will be provided with reusable face visors • Students must wear appropriate face coverings in corridors and communal areas but these will not be provided by school • A small supply of disposable face coverings will be available in school if required • Guidance on face coverings can be found at https://www.gov.uk/government/publications/face-coverings-in-education/face-coverings-in-education |
| <p>2.7 First Aid/Designated Safeguarding Leads</p> | <p>The lack of availability of designated First Aiders and Designated Safeguarding Leads puts children's safety at risk</p> | <ul style="list-style-type: none"> • First Aid certificates extended • Designated first aider on site each day • Safeguarding team fully operational from September | <ul style="list-style-type: none"> • Guidance on the use of PPE and treatment of individual displaying symptoms to be arranged with designated first aiders |

| | | | |
|---|---|---|---|
| 2.8 Medical room | Medical room is not adequately equipped or configured to maintain infection control | <ul style="list-style-type: none"> Social distancing provisions are in place for medical room Anyone with symptoms will be treated in a well ventilated room if possible Additional rooms are designated for students with suspected COVID-19 whilst collection is arranged Procedures are in place for medical room to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets Full PPE is available for use | <ul style="list-style-type: none"> Review of first aid procedures in school with process for dealing with students with symptoms relating to COVID-19 |
| 2.9 Personal Protective Equipment (PPE) | Provision of PPE for staff where required is not in line with government guidelines | <ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured PPE packs will be placed in reception for staff to use in emergency. Staff are not expected/required to help/care for a child in a critical situation. It is staffs' judgement if they intervene or not. First Aiders are available on site to call on in emergency situations. Staff are reminded that wearing of gloves is not a substitute for good handwashing. | <ul style="list-style-type: none"> Government guidance on wearing PPE in school to be made available to staff Staff will be provided with information regarding the correct use of PPE as part of their induction |
| 2.10 Use of equipment | Shared use of equipment may increase risk of spread | <ul style="list-style-type: none"> Staff and students should have their own set of standard school equipment. Equipment will be provided to students if required but will be for the student to keep and not return Practical activities in science, technology, art, PE etc can be undertaken but equipment needs to be cleaned between use or left unused for 48/72 hours | <ul style="list-style-type: none"> Parents have been informed of the need for students to bring all their equipment for lessons with them Information has been included in the staff and student induction |
| 2.11 Face Coverings & Lateral Flow Testing | Risk of spreading infection | <ul style="list-style-type: none"> Lateral flow home testing kits are provided to staff and students and twice weekly testing is strongly recommended. Lateral flow testing is now available for all adults. DfE guidance states 'face coverings should be worn by adults and pupils in classrooms or during activities unless social distancing can be maintained' Face coverings are a temporary measure and are not expected after 17th May 2021 | <ul style="list-style-type: none"> Updated guidance is available here https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/schools-coronavirus-covid-19-operational-guidance?utm_source=6%20April%202020%20C19&utm_medium=Daily%20Email%20C19&utm_campaign=DfE%20C19#educational-visits A temporary additional 10 min break has been included in the school day for years 10 & 11 so masks can be removed outside Face coverings are provided if necessary |

| Hazard | Risk Identified | Current Precautions in Place | Further Information & Actions |
|---|---|---|--|
| 3. Maximising social distancing measures | | | |
| 3.1 Student Behaviour | Student behaviour on return to school does not comply with social distancing guidance | <ul style="list-style-type: none"> Clear messaging to students on the importance and reasons for social distancing is reinforced throughout the school day by staff and through posters, electronic boards, and floor markings. Staff model social distancing The school's Behaviour Policy has been revised to include compliance with social distancing and is to be communicated to staff, students and parent/carers Detentions to be managed by SLT lead in year group 'bubble' SLT to monitor areas where there are breaches of social distancing measures and arrangements are reviewed Messages to parents reinforce the importance of social distancing Exclusion room available if necessary for single year groups each day of the week | <ul style="list-style-type: none"> Induction sessions have taken place with students during the first day of reopening to inform them of the changes within the building as well as ongoing reminders each day Review of Behaviour Policy and procedures to include COVID-19 requirements Provision for the school to be able to sanction, up to and including exclusion, students who willfully refuse to adhere to arrangements of social distancing and deliberately cough or spit at pupils or staff, putting them at risk |

| | | | |
|--|---|--|--|
| <p>3.2 Classrooms and teaching spaces</p> | <p>The size and configuration of classrooms and teaching spaces does not support compliance with social distancing measures</p> | <ul style="list-style-type: none"> • Classrooms, work rooms and meeting spaces to have furniture rearranged to facilitate social distancing • Procedures in place to clean areas regularly throughout the day • Classrooms should have windows open to ensure good ventilation • To balance the need for increased ventilation while maintaining a comfortable temperature, the following measures should also be used as appropriate: <ul style="list-style-type: none"> • opening high level windows in preference to low level to reduce draughts | <ul style="list-style-type: none"> • Review of all classrooms to ensure suitable for timetable lesson arrangements • Regular feedback sought from staff on how procedures are operating • Clear guidance to staff about maintaining distance when supporting students with work |
|--|---|--|--|

| | | | |
|------------------------------------|---|---|--|
| | | <ul style="list-style-type: none"> increasing the ventilation while spaces are unoccupied (e.g. between classes, during break and lunch, when a room is unused) providing flexibility to allow additional, suitable indoor clothing rearranging furniture where possible to avoid direct drafts <p>Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces.</p> | |
| 3.3 Assemblies | | <ul style="list-style-type: none"> Large gatherings are avoided to reduce the risk of transmission Assemblies will take place virtually using Microsoft Teams Welcome & leavers masses will only be planned when safe to do so Parents' evenings are expected to take place remotely (by phone) until restrictions ease | <ul style="list-style-type: none"> Open evening will be virtual in September but hopefully back to normal for the summer |
| 3.4 Movement in corridors | Social distancing guidance is breached when students circulate in corridors | <ul style="list-style-type: none"> Movement around the building will be minimised through using year group 'bubbles' Students can move between classrooms in their area but not to different areas Circulation plans have been reviewed and amended One-way systems are in operation where necessary Circulation routes are clearly marked with appropriate signage Any pinch points/bottle necks are identified and managed accordingly Students are briefed regularly regarding observing social distancing guidance whilst circulating. Appropriate supervision levels are in place | <ul style="list-style-type: none"> Staff on duty to ensure social distancing at beginning and end of day and during any lesson movement Social distancing signage is in place around the school Information to be included in the staff and student induction |
| 3.5 Break & Lunch times | Students may not observe social distancing at break and lunch times | <ul style="list-style-type: none"> Catering provision will be available for staff and students Year group 'bubbles' will be kept separate at social times Staggered break & lunch times will be in operation Year group specific canteens will be in operation | <ul style="list-style-type: none"> Cashless catering system has been replaced before the start of term and include contactless payment |
| 3.6 Toilets | Queues for toilets and handwashing risk non-compliance with social distancing measures | <ul style="list-style-type: none"> Year group 'bubbles' will have designated toilets Queuing zones for toilets and hand washing have been established and are monitored Floor markings are in place to enable social distancing The toilets are cleaned frequently with cleaning charts visible Monitoring ensures a constant supply of soap and paper towels Bins are emptied regularly Disinfectant wipes will be available in staff toilets if required Adequate staff toilets are available around the building | <ul style="list-style-type: none"> Signage and floor markings to be displayed in school toilets Information has been included in the staff and student induction |
| 3.7 Reception area | Groups of people gather in reception (parents, visitors, deliveries) which risks breaching social distancing guidelines | <ul style="list-style-type: none"> Front office to be staffed throughout the day to ensure visitors are dealt with promptly Visitors to only be allowed onto premises if absolutely necessary and if so the book should be used to sign in rather than the touchscreen Social distancing points are clearly set out, using floor markings Social distancing guidance is clearly displayed to protect reception staff (e.g. distance from person stood at reception desk) Non-essential deliveries and visitors to school are minimised Arrangements are in place for segregation of visitors Visitor contact details must be collected for anyone on site so that contact tracing can be effective if required | <ul style="list-style-type: none"> Posters to be placed in reception re social distancing Essential visitors only – this is to be relayed to staff in the information sessions |
| 3.8 Lift | Lift is not large enough to accommodate social distancing Using lift buttons/control panel | <ul style="list-style-type: none"> Lift only to be used by authorised staff and students Only one person to use the lift at any time. Review of students and staff who may require use of the lift and discuss safe use of this facility in the current circumstances | <ul style="list-style-type: none"> Cleaning of lift included in schedule Information to be included in the staff and student induction |

| | | | |
|---|--|---|--|
| 3.9 Reprographic Facilities | Shared use of machines may risk spread of infection | <ul style="list-style-type: none"> Staff are to access the reprographics room only to collect documents from trays without touching or moving their name card Staff to follow the room guidance e.g. maximum capacity If staff require use of the photocopier, they are to use a specific machine identified by RC Staff should use their own pen/pencil if written requests are to be made, so as to avoid sharing of the pens in the room Disinfectant wipes will be available to wipe the machines down after use (to check with manufacturers guidance to ensure this will not affect the machine) | <ul style="list-style-type: none"> Signage to be placed in reprographics room Information included in the staff and student induction |
| 3.10 Arrival and departure from school | Students and parents congregate at exits and entrances, making social distancing measures difficult to apply | <ul style="list-style-type: none"> Start and finish times are to be managed appropriately Staggered start and finish times Social distancing guidelines are reinforced at entrances and exits through signage and floor/ground markings | <ul style="list-style-type: none"> Students are being asked to arrive at a specific time and go to a designated room on arrival Staff on duty at start and end of day to ensure social distancing Signage and floor markings to be displayed throughout school Information included in the staff and student induction KS3 will be allowed on site from 8.00am KS4 & SF will be allowed on site from 9.35am |
