Tuesday 11<sup>th</sup> May 2021

Dear Parent / Carer

## Re: Roadmap

The Government announced yesterday that the country can move to stage 3 of the roadmap which will see many restrictions ease from Monday 17<sup>th</sup> May. The Government roadmap gradually eases restrictions in line with the reduction in COVID-19 cases. The number of cases in our school community are at their lowest level since September and it has been agreed with Public Health that we can begin to safely ease our school restrictions across the summer term.

The school risk assessment has been reviewed in line with Public Health guidance and we will begin easing our school restrictions, in a stepwise manner, starting next Monday. A summary of our first two stages are below:

### Stage 1 – Monday 17<sup>th</sup> May

- Lessons taught in specialist teaching rooms rather than year group zones
- Face coverings required in corridors & communal areas only (not in classrooms)
- Desks cleaned between lessons
- Breakfast club resumes in LRC for all year groups
- Year group entrances & exits remain in place

### Stage 2 – Monday 7<sup>th</sup> June

- All year groups revert to the normal start time of 8.20am and finish time of 2.30pm.
- An amended school day will be in place to allow the split break and lunch arrangements to continue
- Year 7 move into the main building for break & lunch
- All students use main entrance & exit

As a school we continue to place the safety of all in our community as our highest priority and believe that a cautious approach is the best way forward. The amended risk assessment can be found [here](#) and a formal review will be undertaken every 2 weeks.

Thank you for your continued support.

Yours faithfully

Mr A Bridson  
Headteacher
