

Dear Parents / Carers,

I hope you and your families are well and have had a good half term break.

The need for the Government to implement a second national lockdown is a concern for us all. This will come into effect on Thursday but the Government has made it clear that schools are to remain open and so we are looking forward to welcoming our students back tomorrow morning.

It is more important than ever that all in our community strictly follow the COVID secure procedures. I am therefore asking for your continued support in ensuring that students do not attend school if they have symptoms. The most common symptoms of COVID-19 are:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

At Cardinal Langley we have robust COVID-19 procedures in place and it is important that all students continue to follow these. In particular, all students must have an appropriate face covering with them and wear these in all corridors and communal areas.

I will continue to update you as further information becomes available.

Mr A Bridson

Headteacher
