

Cardinal Langley RC High School and Dolce sincerely regret the inconvenience and confusion that has arisen from our recent change in catering systems due to the need to protect students at this time by introducing touchless catering.

As we continue to work to fully integrate the systems we are conscious that students may inadvertently “overspend” lunch accounts without parents being able to see this immediately on their ParentPay accounts. In order to prevent shocks at home later, for the time being where we can see that an account is showing no funds available, we will steer students towards a meal deal and away from extra items such as cakes and flavoured drinks which are an additional expense.

We trust you will understand this course of action and thank you for your continued patience.

Please see below for our fabulous Street Kitchen menus, fully priced for your information.
