SENECA

KS5 Curriculum Overview

Cardinal Langley RC High School

Homeostasis

Inherited
Change

Populations
and Evolution

Populations in
Ecosystems

Gene
Expression

Recombinant
DNA
Technology

Nervous
Coordination
and Muscles

Response to
Stimuli

Energy and
Ecosystems

Respiration

Photosynthesis

Year 13

Biodiversity

Genetic
Diversity

DNA, Genes and
Protein
Synthesis

Mass
Transport

Exchange

Cell Recognition
and the Immune
System

Transport Across
Membranes

Cell
Structure

Nucleic
Acids

Biological
Molecules

Year 12
