

## Cardinal Langley A-level Results 2022

Cardinal Langley's Sixth Form students have, yet again, excelled at A-level and vocational courses with the vast majority now moving on to their first choice of university. Teachers were delighted to see students today to congratulate everyone, not simply on their academic achievements, but also for making it through an incredibly tough two years. This year's results are particularly impressive considering students were unable to sit GCSE exams in 2020 and so this summer's exams were the first external assessments taken.

Mr Bridson, Headteacher, said, "On behalf of all the teachers here at Cardinal Langley, I would like to extend our congratulations to our students. They have worked tirelessly, as have staff, and we are privileged to have known each one of them. Their excellent outcomes reflect their commitment and resolve and there is no greater reward than to see our students progress on their desired pathways."

“The past two years have been extremely unsettling for students as well as teachers but the quality of work our students produce continues to amaze us and we are delighted with these exceptional results. Many students have exceeded their expectations and the vast majority of students have been successful in their university and apprenticeship applications. It’s a tremendous achievement, and we are very proud of every one.”

Elise achieved two A\* and two A grades. Elise said, “I am so happy and grateful to Cardinal Langley for all of the helpful support.” Elise will be going to Manchester University to study maths.

Lucy achieved two A\*s and an A and is looking forward to studying politics at Durham University whilst Anastasia achieved two As and a B grade and is off to Sheffield University to study history. Olivia achieved an A\*, A and B grade and will now study economics at Manchester University and Nieve achieved three grade Bs and will study primary education at Edge Hill.

Annabel achieved an A\*, two As and a B grade and is looking forward to studying history and politics at Sheffield University. She said, “I genuinely wouldn’t be who I am without this school.”

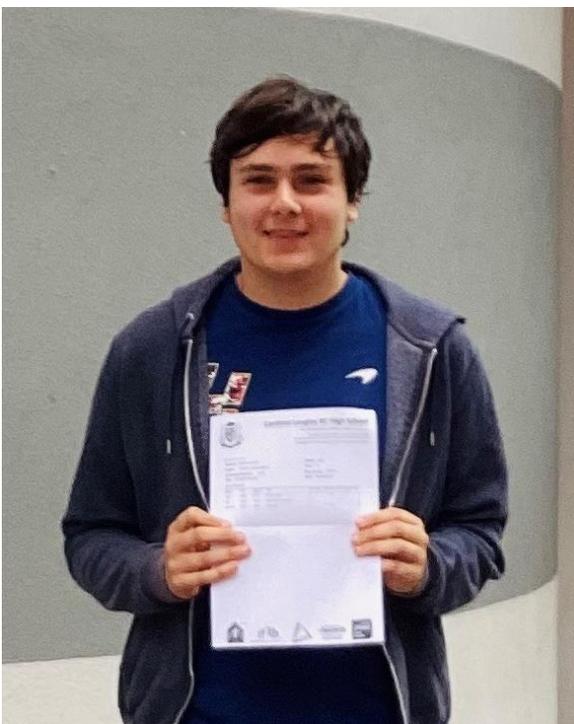

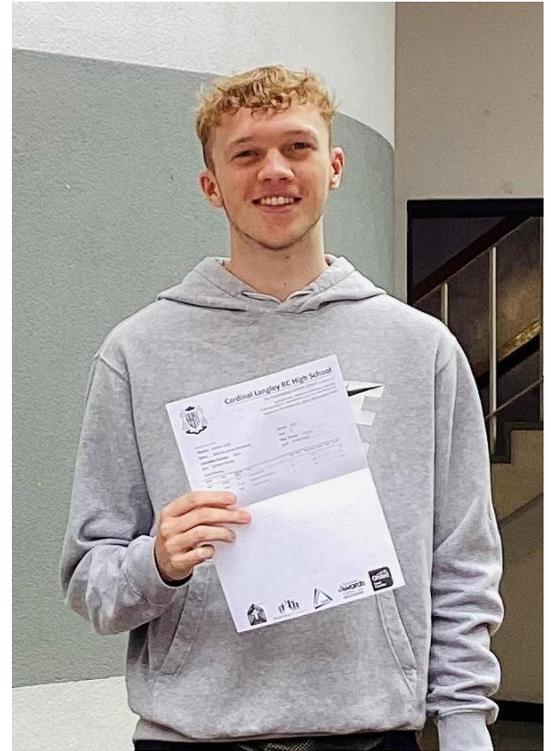

Holly achieved two As and a B grade and is off to study environmental science at The University of Southampton. Holly was delighted with her results and wanted to thank all her teachers.

Ruby was delighted with her A\* and two B grades and is looking forward to relaxing before going to Manchester University to study psychology with counselling therapy.

Temi achieved an A\*, B and C grade and is now off to further her studies at Leeds University. Temi said, "This school is a blessing."

Matthew was very pleased with his two A grades and a B and is now looking forward to starting his apprenticeship in surveyance at Harper Adams University in Shropshire.

Thomas was very happy with his achievements – two grade As and a B. He said he is, “excited to start a new chapter of my life,” which will be at Leeds University studying aerospace engineering.

Jessica was very pleased with her A\*, Distinction \* and C grade. She will be going to Huddersfield to study psychology.

Bethany was very happy with her A and two B grades and is looking forward to studying psychology at Liverpool.

Millie achieved a B and two C grades and is delighted to be going to Liverpool to study marketing.
