

# Century Personal Study

## What do I need to know?

### When do I need to complete my work?

	When does my Century week begin?	When is my last chance to complete?
<b>Maths</b>	Tuesday	Monday
<b>English</b>	Wednesday	Tuesday
<b>Science</b>	Thursday	Wednesday

All students are expected to complete their nuggets on a weekly basis for English, maths and science. You are encouraged to complete your work on the **first day** of your Century week. However, if you need a second chance, you have the rest of the week to catch up. As each new week begins, you are expected to be up to date with your nuggets.

### Can I complete my study in school?

There are three rooms available for completing work as well as the Study Centre (open before and after school every day). You can also loan a laptop to take home if you need one using your purple fob.

<b>Tuesday</b>	S4 - Maths
<b>Wednesday</b>	S17 - English
<b>Thursday</b>	F3 - Science

### How much do I need to complete?

KS3	English	<b>30 minutes of study</b> <i>Unless directed by your teacher to complete a different amount / assignment, recorded in your planner</i>
	Maths	
	Science	
KS4	English	<b>30 minutes of study</b> <i>Unless directed by your teacher to complete a different amount / assignment, recorded in your planner</i>
	Maths	
	Core Science	
	Triple Science	

You can complete more study if you wish and you are encouraged on remaining days to complete bonus nuggets of your choice. Study should involve going through each nugget carefully, reviewing revision material and answering nugget questions.
