Welcome

I am delighted to welcome you and your son or daughter to the Cardinal Langley RC High School family.

One of our students recently described Cardinal Langley by saying 'you enter as a student and you leave as part of a family'. Our students are proud to attend Cardinal Langley and have an amazing range of opportunities available to them during their seven year journey at the school. We place a high emphasis on our community ethos, and the partnership with you as parents / carers is vital for this to be achieved.

This is a wonderful time to be joining our community. We understand that all children deserve the best possible education and you can be assured that this will be received at Cardinal Langley. In our inspection by the Diocese of Salford in 2017, the Catholic life of the school was graded as Outstanding. We are rightly proud of this and all that our students do to develop into young adults who will make a difference in society.

We are looking forward to welcoming and working with you. There will hopefully be an opportunity for your son / daughter to join us for a Transition Day on **Tuesday 4th July 2023**. It will give them the opportunity to meet their teachers and make new friends. Parents are also invited to school that evening to meet teachers and get all the information needed.

We aim to make the transition to high school as straightforward as possible. Please read through this Handbook which contains important information about the school and our high expectations. If you have any questions, do not hesitate to contact us.

Mr A Bridson

Headteacher

"Pupils are exceptionally well cared for, especially the most vulnerable" Diocese of Salford, 2017

Lasallian Heritage

The spiritual development of students is at the centre of our purpose as a Catholic school.

As part of the Salford Diocese family of schools, we express our Welcome, Word, Worship, Welfare and Witness in all that we do.

Welcome

As God's children, we welcome all groups into our school. Differences are celebrated. Pupils, parents / carers and visitors often comment on how welcome they feel in our school.

Word

Religious Studies is the core of our school community and its beliefs and values permeate the life of the school.

Witness

We witness to the values of the Gospels such as compassion, justice, service and reconciliation in all aspects of school life, through our interactions with one another.

Welfare

We want pupils and staff to work together, care, respect and accept all individuals in our school community, and the society around us.

Worship

We are given opportunities through prayer, reflection, liturgies and Mass to celebrate our community and its relationship with God.

Cardinal Langley's success is built upon the philosophy of St Jean Baptiste De La Salle, where emphasis is placed on community, relationships and the value of each individual.

All that we do is rooted in Gospel Values and is designed to enable each student to grow in maturity, faith and love.

St Jean Baptiste De La Salle was a visionary in education and for the church. He was a pioneer of education pedagogy and in founding training colleges for teachers. He opened his first school in Reims, France, in 1689 and his work quickly spread throughout France and, after his death, continued to spread across the globe. Today, there are over a million students in 80 countries who are educated by schools, colleges and universities that owe their foundation to his work.

In 1900, Jean Baptiste De La Salle was declared a Saint, and in 1950 he was made Patron Saint of Teachers.

Year 7 Team

As well as having a Form Tutor, your son or daughter will meet a number of teachers and support staff whose number one priority is supporting your child to get the most out of their time at Cardinal Langley.

Below, you will find just a few of these key people:

Mr V McLaughlin

Pastoral & Academic
Leader (Year 7)

School Day

The school day (for students) begins at **8:20am** and ends at **2:30pm**, with extra-curricular activities taking place after this time.

Activity	Time
Registration	08:20 - 08:35
Period 1	08:35 - 09:35
Period 2	09:35 - 10:35
Break	10:35 - 10:55
Period 3	10:55 - 11:55
Period 4	11:55 - 12:55
Lunch	12:55 - 13:35
Period 5	13:35 - 14:30

Students are not allowed to leave the school premises during the day unless there are special circumstances, such as a medical appointment, for which we have written notice. On such occasions, students must obtain a yellow slip from Student Services (located at the main office). This must then be signed by the Pastoral and Academic Leader, and returned to Student Services before the pupil is allowed to leave the premises.

Houses

Each student is attached to one of five houses:

- Notre Dame
- St Ambrose Barlow
- St Bernadette
- St Thomas Aquinas
- St Dominic Savio

The House system enables students to mix with and compete alongside students across both form and year groups. As they progress into model citizens over Key Stages 3 and 4, they can apply for Half and Full colours, evidenced by a House-coloured tie.

Attendance & Punctuality

What the Law Says

The law in the UK states that every child must be educated. All schools have to follow very strict regulations about attendance. Every absence has to be recorded and reported to the Education Authority. Any attendance of 90% or below is unacceptable.

The Start of the School Day

Our school is open from 7:30am for Breakfast Club which is free of charge and has a selection of different breakfast items. All students should arrive on school premises for 8:15am. Any student arriving to school after 8:20am must sign in at reception. Any student arriving after 9:30am will be marked as unauthorised late, which equates to a half day absence.

Holidays in Term Time

The Department for Education has made significant changes to legislation, whereby Headteachers are no longer able to grant any leave during term time unless there are 'exceptional circumstances'. Therefore, we cannot authorise absence for family or other recreational activity during term time. If you do need to request the withdrawal of your child from school for another reason, you will need to give us sufficient notice by completing and returning a *Planned Absence Request Form* which is available from Student Services or by downloading from the school website. Any leave taken without permission will be unauthorised and a Penalty Notice may be issued. Should it be apparent that a student has taken leave of absence and school was not notified, a Penalty Notice may be issued after the event.

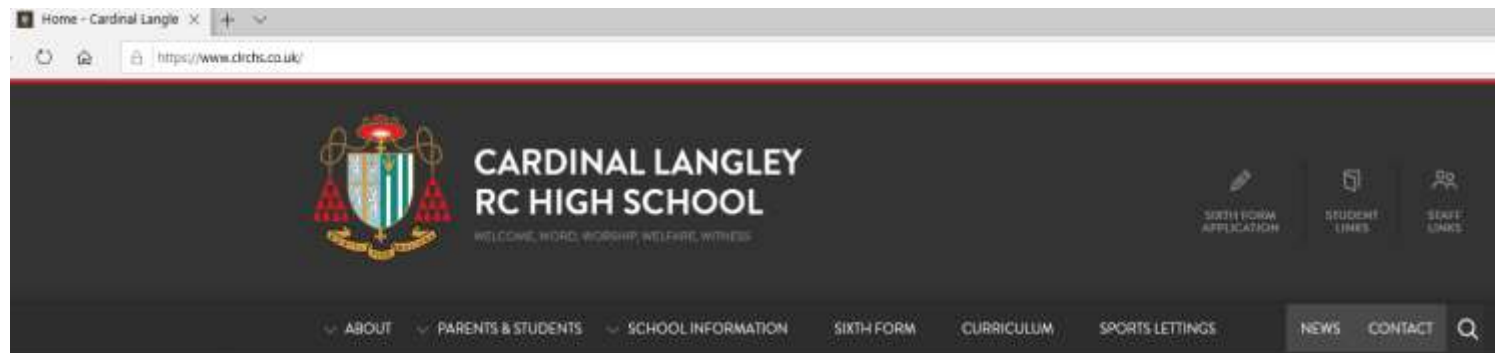

Medical and Dental Appointments

Every effort should be made to arrange medical appointments outside of the school day. However, we recognise that this is not always possible. If your child needs to attend a medical appointment, a yellow slip must be obtained from Student Services along with showing an appointment card or medical letter. This slip must then be signed by the Pastoral and Academic Leader and returned to Student Services before the child is allowed to leave school premises.

Illness

The school operates a first day response system. If your child is going to be absent (or late), please telephone the dedicated absence line on 0161 643 4009 by 8:30am on the first day of absence. If your child has three days of consecutive absence or has an attendance figure below 90%, we will require medical evidence to authorise the absence. Medical evidence can be in the form of a medical appointment card, a medical letter, a copy of your child's prescription, medication with a chemist's label showing the name and date, or a letter from your GP in the case of prolonged illness. Text messages and emails are sent each morning to any student who has an unexplained absence, and, in some cases we may do a home visit.

Attendance in a Year	95%	90%	85%	80%
Number of Learning Days Lots	9.5	19	28.5	38
Number of Lessons Lost	47.5	95	142.5	190

Keeping in Touch

The School Website

It is intended that the school website will be the first port of call for parents and carers to find out what is happening in school, as well as containing essential information and items of interest. Please visit us at <https://www.clrchs.co.uk>

Synergy: Email Communication with Parents / Carers

We always aim to keep parents and carers fully informed about what is going on at school. Sending letters home with students, however, can be 'hit and miss', with many letters going astray on the way home.

Our aim is to be a paperless school, meaning that wherever possible, all letters will be on the website and sent home via our email communication system: Synergy. This will reduce waste paper, save on printing costs, and help to safeguard the environment. Through Synergy, we will also be able to send instant messages telling you if your child is absent or late, helping to reduce truancy and improve student safety.

To receive messages through Synergy, please provide a main contact telephone number and email address via the electronic Pupil Information form.

Synergy is compliant with data protection legislation and all information supplied will be kept completely private. You will have access to a Synergy Parent Portal with important details and notices being sent through this communication medium.

Social Media

You can also keep up to date with everything Cardinal Langley by heading to one of our social media pages. You can find us on Facebook and Twitter:

Homework

Here at Cardinal Langley, we regard homework as an essential part of a child's education. It helps students to learn how to work on their own and reinforces the work done in the classroom.

Students should use their student planner to record any homework that is set. Planners are monitored regularly by their Form Tutor and we ask parents / carers to check and sign them each week.

If a student is experiencing problems with homework or finding resources, our Homework Club and Learning Resource Centre is open before and after school. Staff are on hand to provide additional support if needed.

Homework is about establishing good habits, self-discipline, the ability to work independently and meeting deadlines; just some of the reasons why homework is so important.

We appreciate that access to computers and technology is not always possible at home. As such, the school's ICT resources are available to students before school, at lunchtimes, and after school. Laptops can also be loaned for a 24 hour period to assist with homework.

Students are given a planner at the beginning of the Autumn term, in which they are able to record information including homework, involvement in extra-curricular activities, half-termly progress grades, notes and achievements. The planner is an important piece of equipment that all pupils in school are expected to use and value. It should be brought to school at all times and under no circumstances should there be any signs of graffiti. It is a vital means of recording homework and achievement and a means by which parents can communicate with teachers and vice versa.

Rewards & Discipline

As a school community, most of what we do is guided by one single principle:

'All members of our school community are expected to behave in a responsible manner, both to themselves and others, showing consideration, courtesy and respect for other people at all times.'

We seek to establish good behaviour and high levels of self-discipline as the norm in school. This is achieved through a balance of rewards and sanctions.

Rewards

Our Rewards system is focused around PRAISE: Participation, Responsibility, Attendance, Initiative, Standards and Excellence. Students are encouraged to display behaviour that promotes these aspects, and recognition takes the form of reward points, certificates in assemblies, postcards home and achievement evenings.

Queue Jump passes are one example of a reward, in which students with the best attitude to learning each week (AtL) can get their lunch ahead of other students. These are also awarded to pupils with the most reward points each month, and both achievements are recognised in assemblies.

Moreover, the top achievers in all year groups and subjects receive a certificate and prize at the end of each term, with the opportunity to nominate themselves for House Colours. If successful, they are awarded a badge or House tie to show that they have demonstrated an outstanding attitude towards the Catholic ethos of the school. We also hold yearly celebration evenings to celebrate school-wide achievements, and these have taken place at Middleton Arena in the past.

P

Participation: Take a positive part in the life of the school

R

Responsibility: Take responsibility for the school environment

A

Attendance: Aim to have 100% attendance

I

Initiative: Take the initiative - don't wait to be asked or told to do something!

S

Standards: Have high standards in your appearance, behaviour, attitude and work

E

Excellence: Aim for excellence in everything you do in school

Sanctions

When behaviour, attitude, attendance or punctuality fall below expected standards, there are a range of sanctions which may be applied. We attempt to keep things in perspective and apply sanctions appropriate to the problem. However, persistent or more serious problems often require quite specific measures to be taken. Typical sanctions in school include: verbal reprimands, isolations, detentions, and in extreme circumstances, exclusion from school or to the isolation room.

Through our pastoral support system, we place great importance of keeping parents / carers informed. Notes in the pupil's journal, telephone calls or letters are the most common forms of communication.

Parents and carers are encouraged to contact school whenever they require more information, reassurance or advice about any issues or concerns.

Dining

The school operates a cafeteria-style system.

School meals are prepared by a team of specialist caterers who are committed to providing healthy, quality meals at prices which are monitored by the school's Governing Board. The cost of a standard meal-deal (which includes a meal and a drink or biscuit) is currently £2.70 (there is likely to be a small increase from September). Alternatively, students can purchase items separately (menus with prices on are displayed throughout the school canteens).

A selection of hot and cold meals, and snacks are available during the following service times:

Morning Break: 10:35am - 10:55am

Lunch: 12:55pm - 13:35pm

We operate a cashless catering system here at Cardinal Langley. Each student has a catering account via Parent Pay, which they need to keep in credit, and a facial recognition system is in place for purchasing food and drink items. This system is linked to the student's Parent Pay account which is the only method of paying for school meals. You will be given further information on how to set up a Parent Pay account, but if you wish to find out more, please follow the link: <https://www.parentpay.com/parent-account-faqs/>

All parents and carers are strongly encouraged to complete the application form for free school meals via the Rochdale council website, or by visiting the following link: <http://www.rochdale.gov.uk/schools-and-education/Pages/free-school-meals.aspx>. Many families are unaware of their entitlement so it really is worth checking. Plus, this will provide extra funds to support the school.

Your son / daughter will have their photo taken by the facial recognition system when they start school in September. This image will be used solely for the purposes of cashless catering. *Please acknowledge your consent for this via the electronic Pupil Information form.*

Savio House & MFL

We are proud to offer our students many opportunities that extend their learning beyond the classroom. Some of these extra-curricular activities can be seen on this page. In Year 7, students attend a retreat at Savio House in Cheshire. This is an opportunity for them to strengthen friendships and explore their faith in their first year at Cardinal Langley.

Savio House in Bollington is run by the Salesian community who run retreats and days of reflection for schools all year round. Students spend time with their Form group in the beautiful Cheshire countryside. The majority of students describe the experience as the highlight of the year. Year 7 students have been visiting Savio House for many years and it is always a wonderful experience.

Parents and carers are asked to make a small financial contribution to cover the transport. Further details and a payment plan will be provided closer to the time.

As well as experiencing the Savio House retreat, students are able to indicate a preference for either French or Spanish as their main foreign language in Years 7, 8 and 9. Both languages are available to all students at GCSE.

Via the electronic *Pupil Information form*, please indicate which language you prefer. Although we will try to accommodate preferences, this may not always be possible.

Students may have a phone with them for safety reasons when travelling to and from school but it must be switched off whilst in school. Any phone seen being used in school against this policy will be confiscated and a 40 minute (C2) detention will be issued. On the first occasion, students may collect their phone at the end of the day from the School Office. On subsequent occasions, parents or carers will have to arrange to collect the phone themselves at the end of the week.

Charging Policy

Whilst the Governors are committed to retain the right to a free education here at Cardinal Langley, our Charging Policy identifies the following situations where it is acceptable to make a charge to parents and carers:

- The cost of replacing lost or damaged books or equipment
- Examinations for which a pupil is entered, but fails to attend
- The cost to re-sit examinations above the agreed number in Sixth Form
- The cost of board and lodging on residential visits
- The cost of instrumental music lessons
- The cost of ingredients and materials used in Design Technology lessons if the finished products are kept by students, and if it is indicated beforehand that a finished product wants to be kept.

Although the school cannot make a compulsory charge for the cost of outings organised during school hours, parents and carers may be asked to make a voluntary contribution to reduce the cost to the school. If insufficient contributions are received, we may, reluctantly, have to cancel the activity.

Positive Steps

Positive Steps is the Government's support service for all young people aged 13 to 19 in England. It also provides support up to the age of 25 for young people who have difficulties or disabilities (or both).

Positive Steps brings together all the services and support young people need during their teenage years, offering differentiated and integrated support to young people through Personal Advisors. For some young people this may just be for careers

advice, for others it may involve more in-depth support to help identify barriers to learning and find solutions, brokering access to more specialist support. Personal Advisors work in a range of settings including schools, colleges, one-stop shops, community centres and on an outreach basis.

For students aged 13 and over, the school is legally required to pass on details of names and addresses of students and parents to Positive Steps on request. There may also be other information relevant to the role of Positive Steps that the school is asked to pass on. Parents / carers, and the students themselves (if aged 16 or over) must give consent for the school to do this.

Please acknowledge the *Positive Steps Consent information* via the electronic *Pupil Information form*.

In giving consent, it means that we may share relevant information with Positive Steps on request, and the Local Authority, Department for Education and Youth Support services may supply relevant information which they hold about children to Positive Steps service providers.

If you decide not to give consent, we will only disclose the name and address of the student and parent / carer to Positive Steps and the Local Authority and Department for Education will not pass on any information they have received from the school.

Dippy on Tour

Educational Visits

Educational visits are viewed as a very important part of your child's academic and personal development and very much fit in with the school's aim of educating the whole child. We are, however, acutely aware of the financial pressures on parents and carers of the various curricular and extra-curricular activities that are such a big part of school life. The Governors of the school monitor the costs of school activities to make them as inclusive as possible, and there is a school fund which can provide support in exceptional circumstances.

Government guidance has made it clear that written consent from parents / carers is not required for trips and activities which take place during the normal school day and are a normal part of a child's education. However, written consent will be sought for activities that need a higher level of risk management or which take place outside of school hours. As a school, we will follow these guidelines. We will inform you in advance of any activity and you have the right to withdraw your child from any trip or activity.

Please acknowledge the *Acceptance of School Policy on Educational Visits* information via the electronic *Pupil Information* form

E-Safety Rules & Agreements

All students use computer facilities, including internet access, as an essential part of learning and as required by the National Curriculum. All students and their parents / carers are asked to read the E-safety rules and sign to indicate that these have been understood and agreed. - It may be held as an offence to use a computer network for a purpose not permitted by the school.
- Irresponsible use may result in the loss of network or internet access.
- Network access must be made via the user's authorised account and password, which must not be given to any other person.
- All network and internet use must be appropriate to education.
- Users must not download or store games, music, video or any other entertainment files.
- Copyright and intellectual property rights must be respected.
- E-messages shall be written carefully and politely, particularly as an email could be forwarded to unintended readers.
- Anonymous messages and chain letters are not permitted.
- Users must take care not to reveal personal information through email, personal publishing, blogs or messaging.
- The school ICT systems may not be used for private purpose, unless the Headteacher has given specific permission in writing.
- Use for personal financial gain, gambling, political activity, advertising or illegal purposes is not permitted.
- The school may exercise its right to monitor the use of the school's computer systems, including access to websites, the interception of email and the deletion of inappropriate materials where it believes unauthorised use of the school's computer system may be taking place, or the system may be being used for criminal purposes or for storing unauthorised or unlawful text, imagery or sound.
