

Cardinal Langley GCSE and BTEC Results 2026

Cardinal Langley RC High School is celebrating an outstanding set of GCSE and BTEC results, with students achieving a wealth of impressive individual and collective successes. More than 100 students have enrolled to continue their educational journey at Cardinal Langley, progressing into our Sixth Form to begin their A level studies. This year there was an impressive 10.6% increase in Strong Passes with 54.2% of all grades being 5 or above along with a 6.2% increase in top grades with 19.2% of all grades being 7 or above.

There was a wonderful atmosphere in school this morning as students returned to collect their results and celebrate their achievements with teachers, support staff, friends and family. Staff were delighted to see so many familiar faces and, most importantly, to celebrate not only the academic success of our students but the remarkable young people they have become during their time at Cardinal Langley.

Alongside their excellent examination results, our students have made an outstanding contribution to school life and the wider community. From completing their Duke of Edinburgh Awards and dedicating time to charity work, to achieving exceptional success in sport and embracing the many opportunities available to them: they have demonstrated resilience, determination, compassion and a commitment to making a difference.

Headteacher, Mr Bridson, said, "Today has been a truly special morning and it was an absolute pleasure to welcome our students back to Cardinal Langley to celebrate with them. We are immensely proud of the results they have achieved and of the hard work, determination and perseverance that lie behind every one of them.

"There are so many individual achievements and personal successes to celebrate but what makes today particularly special is knowing that these results represent just one part of what our students have accomplished during their time with us. They have contributed so much to our school community through their involvement in charity work, sport and countless other activities. They have challenged themselves, supported one another and made Cardinal Langley a better place.

"Our students have worked exceptionally hard over the last five years, and the quality of work they consistently produce continues to astound us. Their diligence, ambition and commitment have been steadfast, and today is a wonderful opportunity to recognise everything they have achieved.

"I would also like to pay tribute to our dedicated staff who have worked tirelessly to support, encourage and inspire our students throughout their time at Cardinal Langley. The relationships our staff build with our young people are at the heart of everything we do and it is wonderful to see the rewards of that commitment today.

"It has been an honour to work alongside each and every one of our students. We know how much potential they possess, and we cannot wait to see what they go on to achieve in the years ahead. On behalf of everyone at Cardinal Langley, I would like to offer our heartfelt congratulations to every student. We are incredibly proud of you and wish you every success for the future. As our students begin the next chapter of their journeys, the whole Cardinal Langley community wishes them every happiness and success. Today is a moment to celebrate not only the results they have achieved, but the determination, character and contribution that have made them such a valued part of our school community."

We are immensely proud of Conrad who achieved an outstanding seven grade 9s, two grade 8s, a grade 7 and a Distinction*. Conrad wasn't available in person today but we are delighted that he will continue with A level studies here at Cardinal Langley.

Charlie was delighted with his results. He achieved an outstanding four grade 9s, four grade 8s, a grade 7 and a grade 6. He will remain at Cardinal Langley to study A levels in History, Politics and Maths.

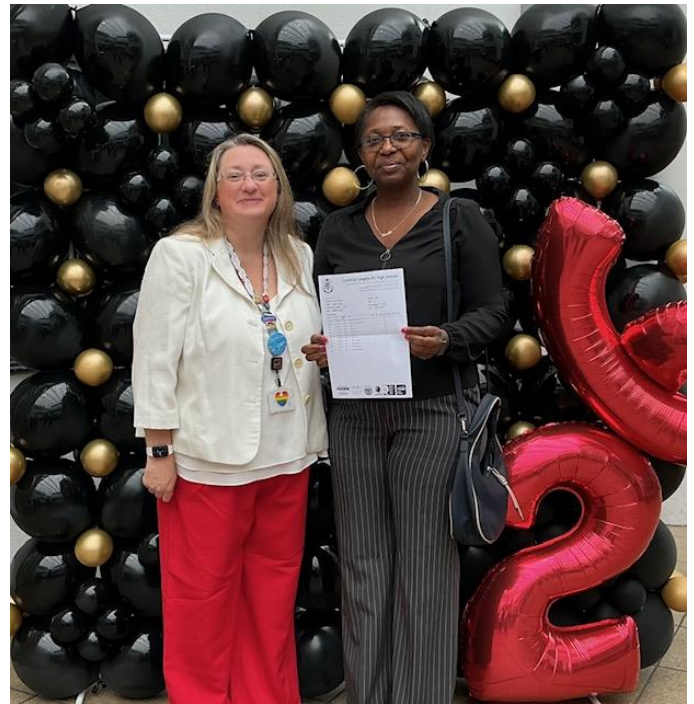

Daniela achieved a fabulous three grade 9s, four grade 8s, two grade 7s and a grade 6. She will also remain at Cardinal Langley and will commence A level studies in Maths, Biology, Chemistry and Spanish.
